SHOWCASING...

YUVAL & LIHEE ASHKAR

Introducing our Showcase performance, the brilliant father-daughter duo Yuval and Lihee Ashkar.

Artists in their own right, the duo enjoy performing together. They connect to the repertoire they have selected to perform, as they have grown up on these songs singing them together at home on shabbat.

Yuval Ashkar is as a master composer, oud player, percussionist and vocalist. He has been performing for 30+ years and has embarked on many projects. He is a professional oud player who has also been featured in the Aria Award-winning Australian film 'Ali's Wedding,' with his band Alwan.

Lihee Ashkar is a young emerging artist who has 10+ years of experience and is very inspired by her father's work. She has been in numerous musicals. Her main instrument is vocals but she can also play the guitar, bass and piano.

What is The Chai Collective?
